Mr Robert Smith
Sparrows Point
Maryland

Dear Sir:

I am writing to ask you if you would be interested in playing professional baseball with The Newark Eagles this coming season.

I will be making a trip south the week of February 7th, and will be glad to stop by and see you.

If you are interested answer me right away and give me your correct address so I will be able to locate you easily. I will greatly appreciate an immediate reply.

Very Truly Yours
